- Ryan Seerattan joined Macaulay Honors College at Queens College in 2016 and is currently majoring in Neuroscience with plans to attend medical school.
- During High School, Ryan participated in the Long Island Science and Engineering Fair (LISEF), Molloy College Science Fair, and the Google Science Fair.
- He made the Dean's List for academic excellence in 2016, 2017, and 2018 and hopes to expand his knowledge and scientific literacy through research.
- Outside of the classroom, Ryan is a volunteer EMT as well as a hospital volunteer. He also works as a teaching assistant and a statistics tutor at Queens College.
