

Diana Rodriguez

Undergraduate Student

Department of Chemistry and Biochemistry

Queens College, City University of New York

65-30 Kissena Boulevard Queens, NY 11367-1597

Lab: Science Bldg. B-301/302/303

Email: diana.rodriguez119@gmail.com

- Diana joined Queens College in Fall 2018, and is currently majoring in Chemistry.
- She is intent in completing the pre-med track.
- In high school, Diana was a volunteer for the District 75 Student Advocacy Project, a project for special ed students that involves advocating for their rights as disabled people to receive accommodations in college and the workforce.
- During her spare time, Diana spends time with her family, cares for her brother, draws, and spends time reading about chemistry and biology.
